LONG HAUL LAGER / 4%

Long haul Lager pairs german pilsner malt and a mix of hop varieties to yield a light bodied brew with a zesty floral edge. This beer is built for all day festivals and is a true plate cleanser

JAMAICAN STOUT / 6.7%

Jamaican stout is a very dark moderately strong roasty ale. Flavors of coffee, toffee, and dark fruit combined with English hops

RED STONE ALE / 5.5%

Red Stone is pale ale with a deep reddish hue derived from roasted barley and crystal malt. Pacific northwest hops are used to add flavor and aroma and stand against a strong malt backbone

BLACK BEAR PORTER / 6%

Big, bold and black! English goldings hops and a blend of dark and roasted malt provides full bodied taste with hints of dark fruit and toffee

RASPBERRY WHEAT / 4%
